Public Information Event: See What's Changed and What's Next

Since our last drop-in sessions, we've been busy progressing the project, carefully considering the feedback we received from the local community and using it to shape and strengthen our plans.

Join us to hear the latest updates on our plans for Chapelhouse & Overwater restoration scheme.

This informal drop-in event is an opportunity to:

- Learn about the latest project developments
- Speak directly with members of the project team
 - Ask questions and share your feedback

Come along and find out more!

We hope you can join us!
